Wins the Opening Event at Brighton Handily.

COURTSHIP'S EASY VICTORY.

Lester Defeats Mackintosh and Arnica in the Third.

BRIGHTON BRACH HACK TRACK, July 18. The Brighton management certainly is hav-ing great good luck in the matter of attendance. Since the meeting opened there has not been a day when there have been less than 6.000 people present. To-day, though the worst in the racing week, was no exception to the rule. There were at least 8,000 people present and the stand and betting ring vere uncomfortably crowded. The weather was tine and the track in first-class shape. The opening event was a dash of five fur-longs. Airtight and Polydora opened up even avorites. The former was backed down several points, while the latter receded from 2 to 4 to 1. Ella was third enoice, but she went back to 8 to 1. Martel was the good thing, being pounded down from 10 to 1 to 8 to 1. The race was an easy victory for Polydora, who ran under a pull to the turn, where Flint cut her loose and won easily. King Arthur, an outsider, just nipped Airtight on

the post and won second money.

Maria stoops and the Bounce filly were the choices in the five-furiong dash for two-year-olds. They were well played. Courtship and Lisbon Maid also had strong following and Lisbon made also had strong following. Courtship ianded the money easily from the Hounce filly. Marquerite, an outsider, was thi o. Lisbon Made was left at the post-lesser and Arnica were the choice of the talent in the third event and opinion was about evenly divided at the end. Lester was a slight favorite, and he justified the opinion of his backers by winning handly. Mackintosh, third choice, beat Arnica easily for the place
